Fertilizer Outlook and Technology Conference

Welcome

The Fertilizer Institute (TFI) and the Fertilizer Industry Round Table (FIRT) welcome you to Tampa, Fla., for the Fertilizer Outlook and Technology Conference.

The meeting is a two-part program, which will open with TFI's Fertilizer Outlook Conference on Tuesday and continue with a joint TFI-FIRT session on Wednesday morning. FIRT's Annual Meeting commences on Wednesday afternoon and continues on Thursday morning.

We have set up top-notch presentations from individuals who will share their impressions on forecasts in U.S. agriculture and the world market in the coming year, as well as discussions with experts on energy and renewable fuels, plant nutrition, the NPK outlook and specific outlooks for China and South America. We hope you will enjoy the program we have put together for you.

QUESTIONS?

Stop by the conference registration desk and we will be pleased to assist you.
